Beginning with April 1st is close time for the shooting of wood, black and gray ducks, until September 1st. The killing of ducks by snare, trap, net or any contrivance other than the usual method of shooting with the gun is illegal and punishable by law.

This does not apply to the taking of birds on the sea coast. It is now lawful to fish for or take a salmon and this law will be in effect until July 15, when until September 1st it will be lawful to take salmon with a rod and single line, but not otherwise. Salmon cannot be taken until October 1st, with a hook and line black bass and white perch cannot now be taken until July 1st.

The festival given in the Hammond street church under charge of Mrs. F. D. DeLo for the children in the infant department of the Sunday School was very enjoyable. All sorts of games were played and the magic lantern entertainment given by Mr. Griffin was heard with great delight. At half past four supper was served in another room and 100 little ones were seated at the table.

This part of the entertainment was responded to quite as enthusiastically as the other, and at the close of the afternoon each child was made still happier by receiving a bag containing a little case, an orange and a corn ball. Everyone who helped in any way to make the festival a success would have felt amply rewarded if they could have seen the joy of the little ones at every thing that was done for them.

Base Ball Council. It will be pleasing news to the Bangor baseball public that Simon has signed a Bangor contract. He is an outfielder and comes from the Syracuse, N. Y., team of the Eastern League. As previously announced, he is a very heavy batter, standing tenth last year in a list of 113 players in the Eastern League. He had a batting average of .401. The Bangor management has made a valuable acquisition.

The first sign of the opening of the baseball season in Bangor was the fact that the wooden shutters that are put up front and back of the grand stand at the South end grounds.
